Craig Mitchell give a talk on his
recent trip to England**

All that is left of him

Could members please try and put pen to paper and send even a short story along with some photos to brighten up our newsletter. Either post it to the editor/secretary or email me on moorak@skymesh.com.au
You tell the stories at our meetings but other members don't realise the successes a lot of us have and it can only add to the viability of our branch to inform others in the western parts of Victoria
